

Girl's World

#2 Swans and Duck

It had been a week
since the school
started...

And here I am,
stuck in the un-
explained situation.

Who am I?

Where
am I?

And why
I'm here?

Since the first day
we had lunch...

I don't exactly know,
but every lunch break
they come to my class.

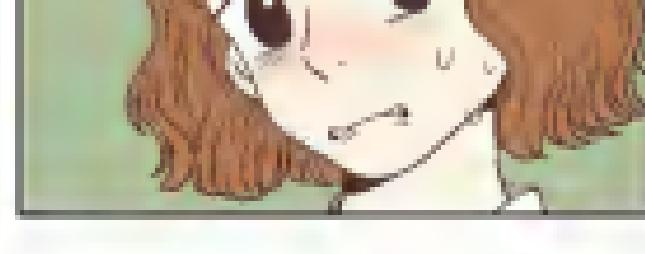

then I realized it
that I am part of
the group.

Do you know...
what's the hardest
thing for me?

This isn't like a
God's miracle or
else but...

I-I AM
RED CARPET
